Broken Vow

Tell me his name I want to know The way he looks And where you go I need to see his face I need to understand Why you and I came to an endTell me again I want to hear

Who broke my faith in all these years Who lays with you at night

When I'm here all alone

Remembering when I was your own[Chorus:]

I let you go I let you fly

Why do I keep on asking why

I let you go

Now that I found

A way to keep somehow

More than a broken vowTell me the words I never said Show me the tears you never shed

Give me the touch

That one you promised to be mine

Or has it vanished for all time[Chorus]I close my eyes

And dream of you and I

And then I realize

There's more to love than only bitterness and lies

I close my eyesI'd give away my soul

To hold you once again

And never let this promise end[Modified Chorus:]

I let you go

I let you fly

Now that I know I'm asking why

I let you go

Now that I found

A way to keep somehow
