

# Matchbox

## The Kingpins

Yeah I'm tired of sighing  
Tired of worrying you too  
But I made up my mind baby  
    What I'm gonna do  
I got my clothes in a matchbox  
    I'm gonna forget about you

But I tried to tell you many times  
    But I never could do it  
    You believe me baby  
    This time I'm through  
I got my clothes in a matchbox  
    I'm gonna forget about you

Now when things get harder  
    Yeah and rough on you  
Don't try to get me back now baby  
    'Cause baby I'm through  
I got my clothes in a matchbox  
    Gonna forget about you.
