

# Money To Burn

## Mgmt

Changing lanes on a Saturday  
breaker a record did you hear about the fire  
It's such a tragedy lives lost mothers crying  
no time to react its getting down to the wire  
but when the wheels stop turning your in trouble  
head for the rubble and close your eyes  
standing on the interstate  
I can see you coming from a mile away  
but if you've got some money to burn  
you can do the talking and I'll wait my turn  
people say it's suicide  
but nothing from nothing is a way of life, yeah  
people say it's suicide  
watching it rain on a Saturday, Saturday  
breaker breaker did you hear about the ship  
it's a tragedy lives lost falling hero

so close to the end of a successful trip  
but when the world stops turning you're in trouble  
head for the rubble and close your eyes  
standing on the interstate  
I can see you coming from a mile away  
but if you've got some money to burn  
you can do talking and I'll wait my turn  
people say its suicide  
but nothing from nothing is a way of life, yeah  
people say its suicide  
standing on the interstate  
I can see you coming from a mile away  
but if you've got some money to burn  
you can do talking and I'll wait my turn  
people say its suicide  
but nothing from nothing is a way of life, yeah  
people say its suicide
