

Dog

Wavves

In the morning
Wake up choking
But it's sunny under
There the same too
When you blame everybody else Still I'll be your dog x4
Still I'll be your ahhh x4
Still I'll be your dog x4 In the evening
Less than easy but I'm coming
Under the same tune
Like I'm doing this for nothing ohhh Still I'll be your dog x3
Still I'll be your Ahh x5
Still I'll be your dog x4
