

# Let Me Let Go

## Faith Hill

I thought it was over, baby  
We said our goodbyes  
But I can't go a day without your face  
Goin' through my mindIn fact, not a single minute  
Passes without you in it  
Your voice, your touch, memories of your love  
Are with me all of the timeLet me let go, baby  
Let me let go  
If this is for the best  
Why are you still in my heart  
Are you still in my soul  
Let me let goI talked to you the other day  
Looks like you made your escape  
You put us behind, no matter how I try  
I can't do the sameLet me let go, baby  
Let me let go  
It just isn't right  
I've been two thousand miles  
Down a dead-end roadLet me let go, darlin', won't you?  
I just gotta know, yeah  
If this is for the best  
Why are you still in my heart  
Are you still in my soul  
Let me let goLights of this strange city are shinin'  
But they don't hold no fascination for me  
I try to find the bright side, baby  
But everywhere I look  
Everywhere I turn  
You're all I seeLet me let go, baby, won't you?  
Let me let go  
It just isn't right  
I've been two thousand miles  
Down a dead-end roadOh, let me let go, darlin', won't you?  
I just gotta know  
If this is for the best  
Why are you still in my heart  
Yeah, you're still in my soul, let me let go  
Let me let go, let me let go
