

# The Story (Live @ AOL Sessions Under Cover)

## 30 Seconds to Mars

I've been thinking of everything  
I used to want to be  
I've been thinking of everything  
Of me, of you and me This is the story of my life  
(And these are the lies I have created)  
This is the story of my life  
(These are the lies I have created) I'm in the middle of nothing  
And it's where I want to be  
I'm at the bottom of everything  
And I finally start to leave This is the story of my life  
(And these are the lies I have created)  
This is the story of my life  
(These are the lies I have created)  
I created And I swear to God  
I'll find myself in the end  
And I swear to God  
I'll find myself in the end And I swear to God  
I'll find myself in the end, in the end  
And I swear to God  
I'll find myself in the end, in the end  
In the end, in the end, in the end This is the story of my life  
(And these are the lies I have created)  
Now this is the story of my life  
(And these are the lies I have created) This is the story of my life  
(These are the lies I have created)
