Lose Another Friend

No Fun At All

Lost your course along the way
Lost your course, but you found another view
Taking all of your time
I can't understand what you're trying to findAnd you don't need it
You don't need it
You don't need it
You don't knowLose another friend
And nobody is talking 'bout it
Lose another friend
And nobody is talking 'bout it nowOh no, oh noAm I telling you lies?
Am I telling you things you don't wanna know
Take a look in my face
Don't you wanna go back to happier days?
