

The Vampyre of Time and Memory

Queens of the Stone Age

I want God to come and take me home
Cause I'm all alone in this crowd
Who are you to me
Who am i supposed to be
Not exactly sure anymore Where is this going to
Can i follow through
Or just follow you, for a while Does anyone ever get this right?
I feel no love Ain't no confusion here
It is as i feared
The illusion that you feel, is real
To be vulnerable is needed most of all
If you intend to truly fall apart You think the worst of all, is far behind
The vampyre of time and memories has died
I survived, I speak I breathe
I'm incomplete
I'm alive, Hooray!
You are wrong again
Cause i feel no love. Does anyone ever get this right Does anyone ever get this right
I feel no love I feel no love
