Shady Girl

SISTAR

When I'm watching a movie, I have to be startled.
When I eat with you, I have to leave something aside.
Even if I'm not sad, tears have to flow.
Do you know those feelings of mine?When I drink water, I have to pretend being drunk.
No matter how hard it is, I always have to smile.
It seems like it's about to rain, so I have to be nervous.
Do you know those feelings of mine?* I'm this shady girl, who loves only you.
I'm this shady girl, who is only looking at you.
I need you boy. Like this, I love only you.
I'm tensed, tensed, tensed about you leaving me.
I'm nervous, nervous, nervous.
As time goes by, this shady girl thinks only of you.Even if it's always bothersome, I put on make up every day.
Even if my legs hurt, I wear high heels.
I'm wearing pretty clothes, so that I can look good for you.
Those are my feelings you know about.Even if I see good-looking men, you have to know you're best.
Because of you, I always hang up the phone when I'm chattering.
I'm cleaning, maybe you will show up at my home.
You know about my feelings exhausted like this.* REPEATOn the outside, I'm laughing, but on the inside, I'm crying.
Without looking into your eyes, I'm waiting endlessly.
I'm getting angry, whenever I see this two-faced me.
Why do I get so small in front of you? Why?
I don't know why.I'm this shady girl, who loves only you.
I'm this shady girl, who is only looking at you.
I need you boy, I care about you so much.
You're so special to me, I luv you boy!
I'm tensed, tensed, tensed about you leaving me.
I'm nervous, nervous, nervous.
As time goes by, this shady girl thinks only of you.
