The Refreshments

Well I could see by the way that she danced with me
She want to break my heart
Want to tear it apart
Yeah and I could see by the way she dance with me
If I give her ten dollars I could get anything that I want
So what's a girl like you doing in a place like this
Lets forget that I asked won't you give me a kiss
So stop biting my fingernails
They're starting to bleed
Let's skip the formalities
And get down to what we're here forI'll do anything for you
Anything that you want me to
It's just going to take
A little more moneyDo anything for you
Anything that you want me to
It's just going to take
A little more moneySo this big old guys comes up to me
And say's Skinny white boy
I don't like the way you look at my girlfriend
What an ugly thing to say
I say don't flatter yourself
I don't think that much of your girlfriendSo that big old guy socks me in the nose
I falls on my back and gets blood on my clothes
He say's Heah skinny white boy
What do you think about that
I says it doesn't change much
I still don't think much of you girlfriendI'll do anything for you
Anything that you want me to
It's just going to take
A little more moneyDo anything for you
Anything that you want me to
It's just going to take
A little more moneyWell I could see by the way that she danced with me
She want to break my heart
Want to tear it apart
Yeah and I could see by the way she danced with me
If I give her ten dollars I could get anything that I want' So what's a girl like you doing in a place like this
Lets forget that I asked won't you give me a kiss
So stop biting my fingernails

They're starting to bleed
Let's skip the formalities
And get down to what we're here forI'll do anything for you
Anything that you want me to
It's just going to take
A little more moneyDo anything for you
Anything that you want me to
It's just going to take
A little more money
