## The Refreshments

Well I could see by the way that she danced with me  
She want to break my heart  
Want to tear it apart  
Yeah and I could see by the way she dance with me  
If I give her ten dollars I could get anything that I want  
So what's a girl like you doing in a place like this  
Lets forget that I asked won't you give me a kiss  
So stop biting my fingernails  
They're starting to bleed  
Let's skip the formalities  
And get down to what we're here for I'll do anything for you  
Anything that you want me to  
It's just going to take  
A little more money Do anything for you  
Anything that you want me to  
It's just going to take  
A little more money So this big old guys comes up to me  
And say's Skinny white boy  
I don't like the way you look at my girlfriend  
What an ugly thing to say  
I say don't flatter yourself  
I don't think that much of your girlfriend So that big old guy socks me in the nose  
I falls on my back and gets blood on my clothes  
He say's Heah skinny white boy  
What do you think about that  
I says it doesn't change much  
I still don't think much of you girlfriend I'll do anything for you  
Anything that you want me to  
It's just going to take  
A little more money Do anything for you  
Anything that you want me to  
It's just going to take  
A little more money Well I could see by the way that she danced with me  
She want to break my heart  
Want to tear it apart  
Yeah and I could see by the way she danced with me  
If I give her ten dollars I could get anything that I want' So what's a girl like you doing in a place like this  
Lets forget that I asked won't you give me a kiss  
So stop biting my fingernails

They're starting to bleed  
Let's skip the formalities  
And get down to what we're here for I'll do anything for you  
Anything that you want me to  
It's just going to take  
A little more money Do anything for you  
Anything that you want me to  
It's just going to take  
A little more money
