Stupid Car (Demo)

Radiohead

I find it hard
To drive your stupid car
I find it hard
Cause I never get that far
And you put my brain in overload
And I can't change gears
I cannot see the road
You got concrete eyes
And I cannot see your face
And I failed in life
Cause you crushed me with your hands
And you put my brain in overload
I can't change gears
I cannot see the road
