

It's Gonna Be

S.O.U.L. S.Y.S.T.E.M.

If all we talk about is money
Nothing will be funny, honey
And now that everyone's a critic
It's makin' my mascara runny
If we only talk about the 'Heathers'
 Making it together is crazy
 If we don't get a new situation
 For our busted nation, we're lazy
 But it's gonna be, it's gonna be
 Please make it be, it's gonna be
 Now if a princess becomes human
 Don't stone her on a talk show, you'll ruin
 'Cause there's a fine line between a skewer

 And a decent sense of humor
 Aim at the ones who've really hurt us
 They should be arrested for murders
 But then all the cameras were turned on
 Some skinny naked blond eating burgers
 But it's gonna be, it's gonna be
 It's gonna be, it's gonna be
 It's gonna be, it's gonna be
 Please make it be, let's make it be
 It's gonna be, it's gonna be
 It's gonna be
