Checkin' For Me (Remix) (Feat. Fat Joe)

Bobby Valentino

Chillin' in the back of the club sittin sideways
Couldn't help but notice you shakin' that, tworkin' that thing
I wanna sample that, work with that, give me a try
Ain't no need for frontin
You want me, I can see it in your eyes, ooh, yeahShorty wanna pop a bottle, Moet, Cristal or some Alize'
She sure look good to me, mama, baby from head to toe
Shorty look like a model,so hot she's a perfect 10
And I wanna take her home with me, it's plain to seeI see you checkin me
If you gonna make that move better make it quick
I see you checkin me
Never really been the kinda guy that will chase a chickShorty's all over me
But your the only one that I'm tryna kick it with
I see you checkin for me
I see you checkin for me tonightHere's my phone number, girl, you need to call me tonight
I'm usually not that forward, but can't let you pass me by
Don't try to play games, cuz I know what you really want
Body language sayin' yes, nothin left to confessShorty wanna pop a bottle, Moet, Cristal or some Alize'
She sure look good to me, baby from head to toe
Shorty look like a model, she's a perfect 10
And I wanna take her home with me, soI see you checkin me
If you gonna make that move better make it quick
I see you checkin me
Never really been the kinda guy that will chase a chickShorty's all over me
But your the only one that I'm tryna kick it with
I see you checkin for me
I see you checkin for me tonightThe night is winding down, Last call for a drink or two
I just wanna groove with you, baby
My car is whipped outside
Tell your girls your leaving with me
Cuz, this is where you ought to be, yeahI see you checkin me
If you gonna make that move better make it quick
I see you checkin me
Never really been the kinda guy that will chase a chickShorty's all over me
But your the only one that I'm tryna kick it with
I see you checkin for me
I see you checkin for me tonightIf you gonna make that move better make it quick
I see you checkin me
Never really been the kinda guy that will chase a chickShorty's all over me
But your the only one that I'm tryna kick it with

I see you checkin for me
I see you checkin for me tonight
