

I've Got Your Love

Air Supply

I've got your love, I don't know how we did it
I don't know why it seemed so long
I've got your love, I don't know why you hid it
I've never felt like this before I won't fall in love, you said it so sure
You haven't noticed you never say that any more I've got your love and it's a perfect reason
For understanding life some more You burnt your fingers before
Burnt your fingers before I've got your love, I don't know how we did it
I don't know why it seemed so long
I've got your love it's such a total feeling
I don't know where it all began I won't fall in love, you said it so sure
You haven't noticed you never say that any more I've got your love and if I lose all others
I know it wouldn't hurt at all
I've got your love, I don't know how we did it
I don't know why it seemed so long I've got your love, I've got your love
I don't know why it seemed so long
I've got your love, I've got your love
I don't know why it seemed so long
I've got your love, I've got your love
