

# Into the Glorious

## Christy Nockels

I was made for more  
than this world could offer me  
My heart to hold true mystery  
My voice was made to fall  
on holy ears.  
My life to collide with majesty. Out from the ordinary.  
Into extraordinary. This is a heart-cry, from my life.  
To say I love You, God, I love You.  
So take me deeper, oh.  
I can hear You calling.  
Inviting me in.  
Into the glorious. I was made me for rest,  
in a world that's striving.  
To lie down in the fields of green.  
To set my feet upon this holy ground.  
To build my life on the things unseen.  
Out from the ordinary.  
Into extraordinary.  
This is a heart-cry, from my life.  
To say I love You, God, I love You.  
So take me deeper, oh.  
I can hear You calling.  
Inviting me in.  
Into the glorious  
Into the glorious
