

Jumping Jack Flash

Johnny Winter, Edgar Winter, I.P. Sweat & Uncle Jo

I was born in a crossfire Hurricane
in a house (mama) in the fallin rain
well it's all right, in fact it's a gas
Its all right, (now) jumpin jack flash is a gas gas gas
I was raised by a toothless bearded haag
I was schooled with a strap right across my back (Ya)
well its all right, in fact its a gas
It's all right (now) jumpin jack is a gas gas gas
I was drowned, washed up and left for dead
I looked down at my feet and I saw they bled
I looked down at the cross from across my bed
I was crowned with a spike right through my head
well it's all right, in fact its a gas
It's all right (now) jumpin jack flash is a gas gas gas
