

# I Talk in My Sleep

## The Crane Wives

I talk in my sleep  
When the night is listening,  
And you are dreaming dreams  
That have nothing to do with me.I, II talk in my sleep  
When my demons won't let me be.  
They twist the things I say  
When you are far away.I, I won't say, II talk in my sleep  
In a language you don't speak.  
The room, it echoes clear  
With words we choose not to hear.I, I, I will finally say  
That I am not okay  
That I am not okay
