

# Good Girl

## The Go-Go's

I'm gonna be a good girl  
So everybody loves me  
I'm gonna do what they say  
Let them choose the games that we play Good girl, good girl  
Gonna be a good girl  
Good dog, good girl  
Gonna be a good girl I'm gonna smile 'til it hurts  
So everybody loves me  
I'll bend over backwards  
Swallow all my angry words Good girl, good girl  
Better be a good girl  
Good dog, good girl  
Gonna be a good girl Good girl, good girl  
Better be a good girl  
Good dog, good girl  
Gonna be a good girl All I want is for everyone to love me  
All I want is for everyone to love me I'll get down on my knees  
I'll say pretty, pretty, pretty please Good girl, good girl  
Better be a good girl  
Good dog, good girl  
Gonna be a good girl Good girl, good girl  
Better be a good girl  
Good dog, good girl  
Gonna be a good girl Good girl, good girl  
Better be a good girl  
Good dog, good girl  
Gonna be a good girl Good girl, good girl  
Better be a good girl  
Good dog, good girl
