

# After We Fuck

**J. Holiday**

Just because this beat is slow  
Don't mean we can't go hard  
On my knees, I'll stay right there  
Speaking in tongues like I'm in prayer  
Make you scream oh my god  
You act like that so I'm gone give it to ya  
No holding back, however you want I'll give it to ya  
Oooh I'm going in
