Island Of Lost Souls

The Meteors

In Babylon
On the boulevard of broken dreams
My will power at the lowest ebb
Oh, what can I do?Oh, buccaneer
Can ya help me put my truck in gear?
Can ya take me far away from here?
Save my soul from sinYou wanna get away, you've had it man
Nothing's going right
So come sit on the sands of the island
Island of lost soulsNo luxuries, no, no amenities
Too dull, your senses
Oh, oh only primitive
"Hey, hey really get away", is what he saidWhere did he go?
I'm tired of waiting here for him
Where can he be?
He's not with meWhere did he go?
What will I do alone?
Why did he run?
Run away from meThe sky is blue
The sea is warm and clear
And golden sands are calling out to you inviting
Make a new man out of youYou can come for a while
Come with a friend
Forget about work, start all over again
Let the real you through, here is what we doWhere did he go?
I'm tired of waiting here for him
Where can he be?
He's not with meWhere did he go?
What will I do alone?
Why did he run?
Run away from me oh, oh, oh, ohOh, buccaneer
Can ya help me put my truck in gear?
Can ya take me far away from here?
Save my soul from sinNo luxuries, no, no amenities
Too dull, your senses
Oh, oh only primitive
Hey, hey really get away
Island of lost soulsIsland of lost souls
Aiya, aiya, aiya, aiya, island

Forget about work, start all over again
Oh oh oh oh
Island of lost souls
Ayla, ayla, ayla, ayla
