I Love Livin' In the City

FEAR

I love living in the city
I love living in the cityMy house smells just like a zoo
It's chock full of shit and puke
Cockroaches on the walls
Crabs crawlin' on my balls
Oh, well I'm so clean cut
I just wanna fuck some slutI love living in the city
I love living in the city
Spent my whole life in the city
Where junk is king and the air smells shitty
People puking everywhere
Piles of blood, scabs and hairBodies wasted in the street
People dying on the streets
But the suburban scumbags they don't care
They just get fat and dye their hairI love living in the city
I love living in the city
I love living in the city
I love living in the cityI love living in the city
I love living in the city
