The Truth (Strings Version)

The Bamboos

The only thing I know
Especially when you're still gone
It makes me crazy and even I fall
I fall
It never happened to me
And know I'm falling over destinyThat's why I get so
Lonely when you're not around
Around
And every day I wanna say out loudHey, YOUR LOVIN' IS EASY
YOUR LOVIN' IS EASY
Hey, YOUR LOVIN' IS EASY
It brings me up, I'll keep you around
Again and again I know
They say that I'll let it go
It something different from the ones before
Before
I need it more than yesterday
And I forget about heartacheThat's why I get so
Lonely when you're not around
Around
And every day I wanna say out loudHey, YOUR LOVIN' IS EASY
YOUR LOVIN' IS EASY
Hey, YOUR LOVIN' IS EASY
It brings me up, I'll keep you around
You want me stop, let it go
You want me to stop, let it go
Lonely when you're not around
Around
And every day I wanna say out loudHey, YOUR LOVIN' IS EASY
YOUR LOVIN' IS EASY
Hey, YOUR LOVIN' IS EASY
It brings me up, I'll keep you aroundHey, YOUR LOVIN' IS EASY
YOUR LOVIN' IS EASY
Hey, YOUR LOVIN' IS EASY
It brings me up, I'll keep you aroundHey, YOUR LOVIN' IS EASY
YOUR LOVIN' IS EASY
Hey, YOUR LOVIN' IS EASY
It brings me up, I'll keep you around
