Breakdown

WATERS

I think I'm headed for a breakdownI think I'm headed for a breakdown
I got no feeling and it's freaking me out
Just say the words and I'll be better
But I won't wait for you to figure it outI can't believe I cracked
I'm old enough to know it isn't worth itIt's funny how I grow colder
Every time that you come over
Lost in the sheets I can't believe
Every time that you come over
Another breakdown, well you ain't worth it now
I think we're headed for a breakdown
We've got no movement and it's freaking me out
I wasn't joking when I walked out
You were screaming but I couldn't hear a soundI'm not waiting
I'm not waiting for you
I'm not waiting
I'm not waiting for you
I'm not waiting
I'm not waiting for you
I'm not waiting
I'm not waiting
It's funny how we grow colder
Every time that you come over
Lost in the sheets I can't believe
It's funny how we grow colder
Every time that you come over
Lost in the sheets I can't believe
Every time that you come over
Another breakdown, well you ain't worth it now
Well you ain't worth it now
Well you ain't worth it now
