Chemotherapy

Pestilence

Practising usury cancer
Bifurcation of the tumour
Unstoppable swelling
Cellular tissue consumerDesperately searching for a sollution
Against the deadly life corrosion
Countless medical examinations
Lead you to self-immolationChemo-therapy
Chemo-therapyUndergo of radiation
Diatribe of your hair
Monitors, X-rays, injections
Consequences you have to bear
Skin is turning black
Forced to take liquid food
Vexations are you share
Even loss of manhood
