

Stay With Me

Train

In the mornin', don't say you love me
'Cause I'll only kick you out of the door
Well I know your name is Rita
'Cause your perfume's smellin' sweeter
Since when I saw you down on the floor
Oh, guitar Won't need too much persuadin'
I don't mean to sound degradin'
But with a face like that you got nothin' to laugh about
Red hair, lips and fingernails
I hear you're a mean old Jezebel
Let's go upstairs and read my tarot cards, come on Stay with me, stay with me
For tonight you'd better stay with me
Stay with me, stay with me
For tonight you're gonna stay with me
Come on So in the mornin', don't say you love me
'Cause you know I'll only kick you out the door
Yeah, I'll pay your cab fare home
You can even use my best cologne
Just don't be here in the mornin' when I wake up
Keyboard, come on Stay with me, stay with me
For tonight you'd better stay with me
Get up, get out now
Stay with me, stay with me
For tonight you're gonna stay with me
Say what's your name again?
