

Breaking

Smoking Popes

Breaking, breaking up
Breaking, breaking up
Breaking up with you Breaking, breaking down
Breaking, breaking down
Breaking down without you I saw you standing in line at Sbarro's
I should have known but who could have guessed
And when we kissed I felt like a woman
And I wasn't shocked that you'd get offended Now I've spoken
Spoken til I can't breathe
Spoken til I cannot breathe your name Smoky, smoky trouble
Smoke gets in my eyes
And I can't see your face I was walking in your shadow
Until you turned out the light
I stumbled around
I was lost but now I'm crying
