

# God (Interlude)

Andre 3000

God, come in God  
God, come in God  
Damn, you're a girl  
Wow  
I guess the reason why I'm talking to You tonight is  
'Cause I've been doing a lot of thinking and  
I mean I consider myself a pretty cool guy  
And I've never cheated on any of my girlfriends  
Well, well, except that one lil' time in Japan  
But that was just some head and head don't count right?  
Aww thanks God, I knew You would understand  
Well, I just feel like, I want to be honest with You  
God, I just need a sweet bitch  
You know somebody not to, not to fast but not to slow  
'Cause I don't have it my damn self  
And life ain't easy  
You know you just want somebody by your side to help smooth  
That thang out You know what I'm talking  
And at this point  
I mean I'm not being picky  
She can't even to have a big ol' ass, You know  
Just something well proportioned to her body  
You know a nice lil' tail, You know  
What? You say You  
You say You, You've found somebody  
Is she cute? So when do I get to meet her?  
Aww, God, You're the greatest  
Well, I guess I'll talk to You later  
Amen  
Oh, I'm sorry, I'm sorry  
A lady
