

Caravan of Love

Pixie Lott

Are you ready for the time of your life?
It's time to stand up and fight
Hand in hand, we'll take a caravan to the motherland
One by one, we gonna stand up with pride
One that can't be denied

Now the children of the world can see
There is a better place for us to be
The place in which we were born
So neglected and torn apart

Every woman, every man join the caravan of love
Stand up
Everybody take a stand join the caravan of love
Stand up

He's my brother
He's my brother, don't you know?
I'm your sister
I'm your sister, don't you know?

We'll be living in a world of peace
And the day when everyone is free
We'll bring the young and the old
Won't you let your love flow, from your heart?

Every woman, every man join the caravan of love
Stand up
Everybody take a stand join the caravan of love
Stand up

He's my brother
He's my brother, don't you know?
I'm your sister
I'm your sister, don't you know?

Every woman, every man join the caravan of love
Stand up
