

Oh Collector

Ocean Colour Scene

Oh collector, I'm so sorry
You had the notion, I was rolling in the money
No, I'm sorry but I'll pay you
No worries let's sing softly
Let's sing softly
Oh, so softly
Not so heavy I've been heavy with my fortune
Like a crystal and a hammer
I'm so sorry, oh collector
I'm away now in a hurry let's sing softly
Let's sing softly
Oh, so softly
Not so heavy Get up, all you fighters
Don't you lie here now
Get up, all you fighters
Don't you lie here now Oh collector, you had it coming
It was that funny, we were rolling
Oh collector, we're so sorry
And we'll pay you, no worries let's sing softly
Let's sing softly
Oh, so softly
Not so heavy let's sing softly
Let's sing softly
Oh, so softly
Not so heavy
Let's sing softly, oh
