

Tell the Truth (Live in San Diego)

Eric Clapton

Tell me who's been fooling you?

Tell the truth

Now who's been fooling who? There you sit there, looking so cool

While the whole show is passing you by

You better come to terms with your fellow men soon, 'cause The whole world is shaking now, I can feel it

A new dawn is breaking now, I can see it Tell the truth

Tell me who's been fooling you

Tell the truth

Now who's been fooling who? It doesn't matter who you are

Or where you're gonna be

Open your eyes and look into your heart The whole world is shaking now, I can feel it

A new dawn is breaking now, I can see it

See it, yeah, I can see it

See it, yeah, I can see it

See it, yeah Tell the truth

Tell me who's been fooling you

Tell the truth

Who's been fooling who? Hear what I say, 'cause every word is true

You know I wouldn't tell you no lies

Your time's coming, is gonna be soon, boy The whole world is shaking now, I can feel it?

A new dawn is breaking now, I can see it?

See it, yeah, I can see it

See it, yeah, I can see it

I can see it

See it, yeah, I can see it
