

Just As I Am

Johnny Cash

Just as I am without one plea
But that Thy blood was shed for me
And that Thou bid'st me come to Thee
Oh, Lamb of God, I come, I come Just as I am though tossed about
With many a conflict, many a doubt
Fightings and fears within, without
Oh, Lamb of God, I come, I come Just as I am Thou wilt recieve
Will dwell come pardon cleanse releive
Because You promise, I believe
Oh, Lamb of God, I come, I come Just as I am without one plea
But that Thy blood was shed for me
And that Thou bid'st me come to Thee
Oh, Lamb of God, I come, I come
