

Soon As I Get Home

Wiz

{Hey, come here for a second
I don't like the way he treats you
 He doesn't deserve you
 He really don't}
 What kind of man
Would leave you standin' in the cold
 Must've been a silly one
 To sacrifice a pot of gold
 You're the kind of woman
That needs a man that's always there
 It's not that you require a lot
Just need some tender love and care
 I give good love
 I'll buy your clothes
 I'll cook your dinner too, yea
 Soon as I get home from work
 I'll pay your rent
 Your faithful lover, oh baby
Soon as I get home, soon as I get home from work
 Girl, I'll treat you right
 And I'll never lie
 For all that it's worth
 I give good love, good love
 It doesn't make sense
That you should have a broken heart
 If I were the only one
 I'd never let you fall apart
 You're the kind of woman
That needs a man with lots of cash
 With a stack of major credit cards

And with me you don't have to ask
 I give good love
 I'll buy your clothes
 I'll cook your dinner too
 Soon as I get home from work
 I'll pay your rent
 Your faithful lover
Soon as I get home, soon as I get home from work

Girl, I'll treat you right
And I'll never lie or flirt
Soon as I get home, soon as I get home from work
 Girl I'll be around, never let you down
 For all that it's worth
 I give good love, good love
 I give good love, good love
 I give good love
 I'll buy your clothes
 I'll cook your dinner too
Soon as I get home from work
 I'll pay your rent
 Your faithful lover
Soon as I get home, soon as I get home from work
 Girl, I'll treat you right
 And I'll never lie or flirt
Soon as I get home, soon as I get home from work
 Girl I'll be around, never let you down
 For all that it's worth
 Good love, good love, good love, good love
 Good love, good love, good love, good love
