

# Nothing to No One

[Gin Wigmore](#)

I am aiding, I go in, no fading  
'Till your eyes close before you love  
They say it's tragic, turnings come to plastic  
Closest thing to magic, watching you become  
My light, my dark, my everything Yeah, I bleed just like everyone  
But I feed off a different one  
I'm built all of broken bone  
I'm nothing to one  
Will your ghost stay here in the dark?  
So close, while I fall apart  
When you go, I will keep your heart  
I'm nothing to no one but you Lately, deeper in your dowry  
Eerie like your starry song that came to mind  
I feel the glass door quicker and the lights down  
Back into the shadows, to another life
