Paul

Smoking Popes

With all the simple times behind me

I can fail without regret

If I have to try then I will never be able to forget

Bottoms down and out of reasons to hang aroundAnd when the sun is over Hong Kong

I can tell you where she'll be

Floating in a soft and lonely melody, directly over me

Chocolate eyes at one time melting in mine but not tonightShe'll say, "I love you Paul"

"I love you Paul"

"I love you Paul"

Hey hey, hey heyAnd now everything is riding on a bet that I can't win

If she's not the answer

I've been looking for I'll never ask again

Some say that the answer comes from within meanwhileShe'll say, "I love you Paul"

"I love you Paul"

"I love you Paul"

Hey hey, hey heyCan you tell me where to find me?

Have you seen me hanging around?

I'm looking for myself each night till sunrise

The only thing I've found

Broken dreams and a heart that's stuck to the ground

And with a smileShe'll say, "I love you Paul"

"I love you Paul"

"I love you Paul"

Hey hey, hey heyShe'll say, "I love you Paul"

"I love you Paul"

"I love you Paul"

Hey hey, hey hey
