

Naked Forms

Mercyless

Paralyzed, dead emotions
No one should approach
Different parts of my body
Producing impulses
Every man has the potential
But I can't control
Give me now your life
I refuse to dieFrustrated and impatient
Emotional commitmentExhilarated by my own oratory
Prolonged my life as long as possible
Designed like a very lonely person...
In love with your Naked Forms!
The deadly combinations
Of nasty effects in my head
Difficult to express feelings
Inspired by your pain
Give me back my life again
Just the right to live
Let me a chance...
Believe me please... believe me
Everyday is another cruelty
You can't solve this confusion
Promise of better future
But beware, obstacles will rise(Lead Stephane)Frustrated and impatient
Emotional commitment
Exhilarated by my own oratory
Prolonged my life as long as possible
Designed like a very lonely person...
In love with your Naked Forms!Not so strong to defy my fate
A sentence has begun
Save my life... but i love to kill
Without motive
Don't let me die in this hell!
