White Boy Shit

Yelawolf

[Hook]I?m on that white boy shit,
That?s that white boy shit
I?m on that white boy shit,
That?s that white boy shit
I?m on that white boy shit,
That?s that white boy shit
I?m on that white boy shit,
That?s that white boy shit
Candy bars, special K
Seeing stars in the middle of the day
Dude where?s my car? Chevrolet
If I snap the cops I have to bring the pepper spray
Took a fifth of jellybean to the face
No sweat, no chase
Party like a white boy, yeah I heard them say
Put your money where your mouth is, take a drink
Jack Daniels, Cpatain Morgan, Yago Bombs
Sill pouring
Man this motherfucking club shit is so boring
I need a dive park bitch, cause I?m on that
[Hook]I?m on that white boy shit,
That?s that white boy shit
I?m on that white boy shit,
That?s that white boy shit
I?m on that white boy shit,
That?s that white boy shit
I?m on that white boy shit,
That?s that white boy shit
At least that?s what I?ve been told
Smoking wizard out a rolled up tin foil
Everybody saying I?m a weirdo
With this silly automatic in my trench coat
Suburbs, Honda Civic?s
Paper hits a vest and I did it

Quarter pound in my locker in a hundred tabs
I was trippin balls in every class
Hippies wearing tie dye t shirts
Selling brownies at a fucking fish concert

Jugalo?s, Tech Nina, Wolfpack, shady fans, amen
[Hook]I?m on that white boy shit,
That?s that white boy shit
I?m on that white boy shit,
That?s that white boy shit
I?m on that white boy shit,
That?s that white boy shit
I?m on that white boy shit,
That?s that white boy shit
Fuck with the cops just to run
Get bored, make a pipe bomb
Friday nights, having fun
Is getting drunk and shitting, playing with a loded gun
My country?s no country for an old man
I got a mullet hawk, a bad girlfriend
Tattoo?s to my feet and back up again
Half pearl Jam, half Eminem
If your friend jumped off a bridge, would you?
Fuck yeah, butt naked too
Cause I?m a jackass, forever 21
Rest in peace Ryan Dunn, cause
[Hook]I?m on that white boy shit,
That?s that white boy shit
I?m on that white boy shit,
That?s that white boy shit
I?m on that white boy shit,
That?s that white boy shit
I?m on that white boy shit,
That?s that white boy shit.
