(I Live For) Cars And Girls

The Dictators

I'm the type of guy who's into getting high
On a Friday afternoon
So now you know I'm a regular Joe
I'll tell you what I like to doI like to make the scene
In my machine
I like to make the scene
I leave 'em in another state
Whenever I accelerateI live for cars and girls, cars and girls
Car, cars and girls
Cars and girls, cars and girls
Car, cars and girls
There's nothing else in this crazy world
Except for cars and a good, good, good girlsI got a lot of good sittin' under my hood
But it doesn't make me feel alright, alright
The only time I'm feelin' fine
Is when my baby's sittin' tightI like to get it down
I like to feel the sound
I like to get around
I leave 'em in another state
Whenever I accelerateI live for cars and girls, cars and girls
Car, cars and girls
Cars and girls, cars and girls
Car, cars and girls
There's nothing else in this [Incomprehensible] worldBaby, you and me will go
Cruisin' everywhere we know
We'll take a trip out to the west
'Cause the coast's the most
Because the surfin's bestI live for cars and girls, cars and girls
Car, cars and girls
Cars and girls, cars and girls
Car, cars and girls
There's nothing else in this [Incomprehensible] world
Except for cars and a good, good, good girlsThe fastest car and a movie star
Are my only goals in life
It's the hippest scene, it's the American dream
And for that I'll always fightI like to get it down
I like to feel the sound
I like to get aroundI wanna drive the fastest car
I wanna drive the fastest car

I wanna drive the fastest car
Cars, girls, surfin' beer
Nothin' else matter hereCars and girls, cars and girls
Car, cars and girls
Cars and girls, cars and girls
Car, cars and girls
There's nothing else in this crazy world
Except for cars andCars and girls, cars and girls
Car, cars and girls
Cars and girls, cars and girls
Car, cars and girls
There's nothing else in this [Incomprehensible] world
Except for cars and good good good goodbye
