

Jilly's On Smack

Primus

Jilly's on smack, and she won't be comin' back
No she won't be comin' back, for the holidays
Jilly's on smack, and she won't be comin' back
No she won't be comin' back, for the holidays
Jilly left home
Went to pick her own bone
She made her own
In the marketplace
Now Jilly's on smack, and she won't be comin' back
No she won't be comin' back
For these holidays
Now Jilly's on smack, and she won't be comin' back
No she won't be comin' back
For the holidays
Jilly had a smile

That spanned over a mile
She left him standing in the aisles
Of the big parade
Jilly always phoned her mother
Emailed daily to her brother
Til she took a junkie lover
And began to fade
Now Jilly's on smack, and she won't be comin' back
No she won't be comin' back
For the holidays
Jilly's on smack and she won't be comin' back
No she won't be comin' back
For the holidays
Jilly's on smack and she won't be comin' back
No she won't be comin' back
For them holidaaays
