Step by Step

Whitney Houston

Well, there's a bridge and there's a river
That I still must cross
As I'm going on my journey
Oh, I might be lostAnd there's a road I have to follow
A place I have to go
Well, no one told me just how to get there
But when I get there I'll know 'cause I'm taking itStep by step, bit by bit
Stone by stone, yeah, brick by brick
Step by step, day by day
Mile by mileAnd this old road is rough and ruin
So many dangers along the way
So many burdens might fall upon me
So many troubles that I have to faceOh, but I won't let my spirit fail me
Oh, I won't let my spirit go
Until I get to my destination
I'm gonna take it slow because I'm making in aStep by step, bit by bit
Stone by stone, yeah, brick by brick
Step by step, day by day
Mile by mile, go your way, go your waySay baby, don't give up
You've got to hold on to what you've got
Oh, baby, don't give up
You've go to keep on moving, don't stop, yeah, yeahI know you're hurting
And I know you're blue
I know you're hurting
But don't let the bad things get to you, I'm taking itStep by step, bit by bit
Stone by stone, yeah, brick by brick
Step by step, day by day
Mile by mile, go your way, go your wayI'm takin' it step by step, bit by bit
Stone by stone, yeah, brick by brick
Step by step, day by day
Mile by mile, go your way, go your wayBit by bit
