Infinity

Metus

After all the time, after you,
Had you seen me with someone new?
Hangin so high for your return
But the stillness is a burn
Had I seen it in your eyes
There'd have been no try after try
Your leaving had no goodbye
Had I just seen one in your eyes
I can't give it up
To someone elses touch
Because I care too much
[x2]Could you tell
I was left lost and lonely
Could you tell

Things ain't worked out my way
Wish the best for you
Wish the best for me
Wished for infinity
If that ain't me
Give it up
I can't give it up
[x2]I can't give it up
To someone elses touch
Because I care too much
[x2]Give it up
I can't give it up
[x8]
