

Can't Get You Out Of My Mind

Aqualung

A kiss is not just a kiss
A smile is more than a smile
Maybe we get together
Maybe forever
Maybe just for a while I've seen the look in your eye
I've seen you wondering why
There's a center of gravity
Brings you near to me
Nearer all the time And I'm hypnotized
Petrified
Every time you walk by
And I can't get you
Out of my thought you'd never be mine
I thought I was wasting my time
Darling every time I think of you
I can't believe it's true
That you're here by my side
