Maybe (Unplugged)

Sick Puppies

Maybe I'm a dreamer
Maybe I'm misunderstood
Maybe you're not seeing the side of me you should
Maybe I'm crazy
(Maybe I'm crazy)
Maybe I'm the only one
(Maybe I'm the only one)
Maybe I'm just out of touch
Maybe I've just had enoughMaybe it's time to change
And leave it all behind
I've never been one to walk alone
I've always been scared to try
So why does it feel so wrong
To reach for something more
To wanna live a better life
What am I waiting for?
'Cause nothing stays the same
Maybe it's time to changeMaybe it's hopeless
(Maybe it's hopeless)
Maybe I should just give up
(Maybe I should just give up)
What if I can't trust myself?
What if I just need some help?Maybe it's time to change
And leave it all behind
I've never been one to walk alone
I've always been scared to try
So why does it feel so wrong
To reach for something more
To wanna live a better life
What am I waiting for?
'Cause nothing stays the same
Maybe it's time to changeAnd maybe it's time to change
And leave it all behind
I've never been one to walk alone
I've always been scared to tryAnd maybe it's time to change
And leave it all behind
I've never been one to walk alone
I've always been scared to try
So why does it feel so wrong

To reach for something more
To wanna live a better life
What am I waiting for?
'Cause nothing stays the same
Maybe it's time to change
'Cause nothing stays the same
Maybe it's time to change
