Crucify Me

Black Mountain

Oh it's the hardest thing to love while you bleed
I did a ball of confusion
Oh Mary don't you crucify me
I waited on your half for an answerStuck a needle in my eye
Won't find the way back home
Killed softly out of town
Woah, could you be my love?I was ready to die
... to race me
I remember some beauty
Stuck a needle in my eye
Woah, could you be my love?
And if that just be enoughAfraid to know what I'll hear you
I'm waiting for the ghost to fade
Won't you drop by and save me?
Oh it's the hardest thing to love while you bleed
And did you battle confusion?
Sometimes you just gotta layStuck a needle in my eye...
