

# Hedwig's Lament

## Hedwig and the Angry Inch

I was born on the other side  
Of a town ripped in two  
And no matter how hard I've tried  
I end up black and blue I rose from off of the doctor's slab  
I lost a piece of my heart  
Now everyone gets to take a stab  
They cut me up into parts I gave a piece to my mother  
I gave a piece to my man  
I gave a piece to the rock star  
He took the good stuff and ran
