Inhale

Jude Cole

You could have me sewn
Into your blue jean pocket
You could have me anyway you want
You knowInnocence is gold
In a world of such large children
In this playground we call life
You knowSo why's it gotta be so hard?
Why you wanna hurt so bad?
Why won't you take a deep breath?
Inhale me in, inhale me in, me inIt's a funny thing
All this bleeding drama
All your guilt-o-rama
Dirt on my shoesIf I could take it back
I would take back nothing
Not a single step away from here
From youSo why's it gotta be so hard?
Why you wanna hurt so bad?
Why won't you take a deep breath?
Inhale me inWhy do you need to know
Every place I've ever been?
Just take a deep breath and baby
Inhale me in, inhale me in, me inCool, refreshing taste
Liberating, intoxicating meC'mon let me drive
Out of this choke tunnel
Let me blow some smoke
And fly away from here with youSo why's it gotta be so hard?
Why you wanna hurt so bad?
Why won't you take a deep breath?
Inhale me inWhy do you need to know
Every place I've ever been?
Just take a deep breath and baby
Inhale me in, inhale me in, inhale me in
Inhale me in, me in
