

Rust (live Version)

[Richie Kotzen](#)

Tell me please how a woman
Can move you in so many ways
Then she leaves you alone
To let you know how it feels
I know I was wrong to you
But these days are much too hard
The best years have found a home
Fallin the corner of my mind
I know we're not gettin no younger,
Aint no use hidin what I know
It's better to lose at love
Then to have never loved at all
Tears wont do me no justice,
Theres only rust in my eyes
I'm on my knees every night prayin for you in my life
And now I see very clear what it was I sacrificed
Well if I knew what I had from the start I'd have never
Never let it go this far
All my life I've been hangin on,
But the time ..the time is right..
And I am really all right...yeah
