

# Lying To You

## Goldroom

Walking myself home  
These streets don't feel the same to me  
Waking up alone  
Wishing it was all a dream Still out of sight, not out of mind  
Still got the things you left behind  
Can't box up memories tonight I'd be lying if I said you're not always in my head  
Yeah, I'd be lying to you (Yeah, yeah, yeah)  
I'd be lying if I said I wish you never found my bed  
Yeah, I'd be lying to you  
I'd be lying to you, I'd be lying to you  
(Yeah, yeah, yeah)  
Thought that I was fine  
Then I saw your face again  
When your eyes caught mine  
I looked away Still out of sight, not out of mind  
Still got things you left behind  
Can't box up memories tonight I'd be lying if I said you're not always in my head  
Yeah, I'd be lying to you (Yeah, yeah, yeah)  
I'd be lying if I said I wish you never found my bed  
Yeah, I'd be lying to you  
I'd be lying to you, I'd be lying to you  
(Yeah, yeah, yeah) Now coffee's old and bitter cold  
And nothing tastes as good alone  
Left here just staring at my phone  
Still out of sight, not out of mind  
Still got things you left behind  
Can't box up memories tonight  
I'd be lying if I said you're not always in my head  
Yeah, I'd be lying to you (Yeah, yeah, yeah)  
I'd be lying if I said I wish you never found my bed  
Yeah, I'd be lying to you  
I'd be lying to you, I'd be lying to you  
(Yeah, yeah, yeah)
