

Said and Done

Mary J. Blige

Me and you been up talkin'
Seems like all night
And ain't nothin' wrong with us talkin'
To make things alright But it's a new day, baby
I know I made a mistake
I know that you gon' love anyway And I know that I was wrong
But today I need to move on
I gotta give myself a break
'Cause I know that
All the mess don't matter anyway When it's said and done
I'm lovin' you, I'm lovin' you
When it's said and done
I'm lovin' you, I'm lovin' you
When it's said and done
I'm lovin' you, I'm lovin' you 'Cause I know that
All the mess don't matter anyway I've been sitting here all day stressin'
Over nothing at all
You would think that I learned my lesson
I know I need to pick my Head up, get up
Be on my way
I know that everything will be okay And I know that I was wrong
But today I need to move on
I gotta give myself a break
'Cause I know that
All the mess don't matter anyway When it's said and done
I'm lovin' you, I'm lovin' you
When it's said and done
I'm lovin' you, I'm lovin' you
When it's said and done
I'm lovin' you, I'm lovin' you 'Cause I know that
All the mess don't matter anyway You know I love you
Do anything to see you smile
Look what we've been through
Our love has stood the test of time When it's said and done
I'm lovin' you, I'm lovin' you
When it's said and done
I'm lovin' you, I'm lovin' you
When it's said and done
I'm lovin' you, I'm lovin' you 'Cause I know that

All the mess don't matter anyway When it's said and done
I'm lovin' you, I'm lovin' you
When it's said and done
I'm lovin' you, I'm lovin' you
When it's said and done
I'm lovin' you, I'm lovin' you 'Cause I know that
All the mess don't matter anyway Don't matter
'Cause I'm loving you
