

# Big Boy Blue

Ella Fitzgerald & Louis Armstrong

Big boy blue, come blow your horn  
Big boy blue, it's almost dawn  
And the band will soon be gone  
Come on, blue, blow your horn Big boy blue, it's getting late  
Big boy blue, my seeds can't wait  
So before you, you wear the cake  
Come on, blue, blow your horn When you blow hard and soul out  
How am I gonna keep my sweet  
Even with my two left feet?  
I must give in, I'm in devout  
Big boy blue, you know it's so  
Big wide blue, before you go  
Send me fast and send me slow  
Come on, blue, blow your horn So when you blow out, soul out  
How am I gonna keep my seed  
Even with my two left feet?  
I must give in, I'm in devout Oh Big boy blue, you know it's so  
Big boy blue, before you go  
Swing me high and swing me low  
Come on, blue, blow your horn Big boy blue, come blow your horn  
Come on, blue, blow your horn  
Come on, blue, blow your horn  
So hard, so hard, how am I gonna keep my seed  
Even with my two left feet?  
Big boy blue, you know it's so  
Big wide blue, before you go  
Send me fast and send me slow  
Swing me high and swing me low  
Rock me too and rock me fro  
Come on, blue, blow your horn
